Mrs. Allen Weeks

South Paris, Maine

Dear Mrs. Weeks:

This letter is to acknowledge receipt of your letter dated February 1, 1956 in regard to our ski program and membership.

At this time we wish to thank you for your interest in the Down East Ski Club of Portland but we feel that South Paris is such a distance from Portland that it would be to your disadvantage to join our club. As we meet every Thursday night we feel that it would be a great deal of inconvenience for you to attend our meetings and therefore you would receive no benefit from the club as an organization.

In regard to our program, we wish to advise you that we do not have a set ski program which we follow. We try to ski as a group at Bridgton. As for instructions, we now have classes on Sunday from 10 AM to 12 noon at Mt. Pleasant, Bridgton. Our instructors are experienced skiers belonging to the club.

We appreciate receiving this letter from you but suggest you write to the Farmington Ski Club in Farmington, Maine for we believe they do have a set program which you might be interested in. They also may have a program especially for out-of-town members.

In the event you are in Portland on any Thursday night we would be glad to have you attend a meeting of our club as guests. We meet Thursday at 8:15 PM at the Y.M.C.A. on Forest Avenue, Portland, Maine. We are sorry we could not be of any help to you but would appreciate hearing from you.

Very truly yours,

Secretary
Down East Ski Club
